Volunteers 🧪 Business Verification Testing (BVT) – Department of Health (2025 Releases)

Hiring organization
Techie Bazaar

Description
We're inviting volunteers from the Sector Partners community to support Business Verification Testing (BVT) during our 2025 release weekends.

BVT is conducted on the Sunday before each system update goes live. Depending on the nature of the release, we may need different types of users from the Government Provider Management System (GPMS) to participate.

Our goal is to build a diverse and flexible pool of volunteers so we can rotate participants across releases—meaning most individuals would only be called upon once a year. We aim to provide at least one month's notice to confirm availability and roles.

🧪 Your contribution is vital to our digital transformation efforts, and we deeply value the time and expertise our volunteers bring.

Interested in helping out? Please email priya@techiebazaar.com.au or submit your details via our Contact Us form.

Thank you for your continued support!
